This matter is before the court on defendant's oral and written requests for release, Filing Nos. 38 and 39, from detention made on December 15, 2011, following his plea colloquy. The court has reviewed the original and supplemental pretrial report. The court agrees with the magistrate judge's finding that no set of conditions could insure the defendant's appearance or the safety of the community. The court need not hold a hearing on this matter, and thus the hearing set for December 22, 2011, is canceled.

THEREFORE, IT IS ORDERED:

1. The defendant's motion for release, Filing No. 38, is denied.
2. The hearing scheduled for December 22, 2011, is canceled.

DATED this 16th day of December, 2011.
